Dive the High Desert Santa Rosa, NM

Dates: *October 26-29*

Split Expenses Trip Deposit: \$50

You're invited to join us on a trip to the high desert of north-east New Mexico where we'll dive the famed Blue Hole. This artesian spring flows 3000 gpm of constant 61°F water. With visibility of 60-100 ft and depth of 80 feet, it's an ideal location to complete your certification or work on a variety of specialties. Divers holding the Advanced Diver rating may explore Rock Lake, another spring fed lake with a depth of 280 ft. We usually wrap up the trip with a visit to Perch Lake, which holds a twin engine airplane wreck to play on.
