Grand Cayman

February 5-12, 2011

Trip Price \$1762 (Cash or Check)

Grand Cayman is the largest of the three Cayman Islands, located south of Cuba. The East End of Grand Cayman is a beacon to those tourists who want to step off the beaten path and leave the hustle and bustle behind. Here you will enjoy untouched beauty, endless ocean views, dive into world class SCUBA Diving, hike the mastic trail; you can even fly a kite or paddle a kayak.

Here on the East End, coral canyons and sand chutes lead you into the pristine deep blue waters of the outer reef before plunging to 6,000 ft. These exhilarating walls are covered with brightly hued sponges, corals and sea fans. The 80-86 degree water is second to none when it comes to clarity and it is said that more underwater photographs are taken in the Cayman Islands than in all other Caribbean destinations.

If you prefer a one-bedroom condo, or if you sign up too late to get paired up, add \$255 per person. Non-divers can subtract \$370. Sign up now to insure that you can share a two-bedroom condo—it's quite a savings. Take advantage of this fantastic trip price we negotiated—it's the summer 2010 rates they agreed to carry over to Winter 2011!

Trip Includes:

- Round trip airfare from Omaha
- Seven nights at Compass Point in an ocean-front, fully equipped two-bedroom condo
- Six days of 2-tank boat dives with Ocean Frontiers, the onsite dive operator (add on a 2-tank afternoon boat dive for only \$50)
